

What Client Companies Are Saying About Integrity:

“In my 37 years in the printing industry with the last 21 years in supervisory capacity, I have had opportunity to work with various staffing agencies, and since finding Integrity Staffing, I have stopped looking. The staff is courteous and professional and they always meet our sometimes impossible demands for associates. I would recommend their services to anyone needing temporary staffing.”

-Manager at Northeast Ohio Printing Company

“I have worked with Integrity Staffing for about 4 ½ years now and they always rise up to meet my staffing needs. In crunch time they have been able to get me dependable people. When you have someone who knows what your staffing needs are before you do is hard to come by. Integrity is very attentive to all of our staffing needs and I am glad that we are partnered with them.”

What Assignment Employees Are Saying About Integrity:

“Thanks to Integrity for their SUPER EFFICIENT efforts in finding me a full-time job. I've been looking for almost a year now while working freelance. Integrity sent me on an interview and I was offered the job within 2 hours after the interview. I would highly recommend Integrity to anyone looking for fast placement!”
